Dear Mr. Metzgar:

Re: Proposed Easterly Annexation
District No. 28 to the City
of Covina

At the meeting held on October 5, 1960, the County Boundary Commission reviewed the boundary description and map submitted by you, with your letter of September 20, 1960, of the proposed annexation of territory to the City of Covina.

The boundaries as submitted do not create islands or corridors of unincorporated territory and conform with record lines and lines of ownership.

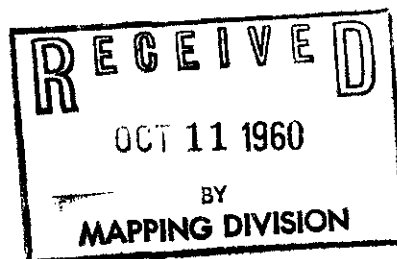

The County Boundary Commission approved the boundaries as submitted as to definiteness and certainty in accordance with the provisions of Section 35002 of the Government Code. A copy of the approved legal description and a list of special districts involved are enclosed for your use.

Very truly yours,
